AND RECORD OF ACTION

**FROM: BARBARA HALSEY, INTERIM DIRECTOR
JOBS AND EMPLOYMENT SERVICES DEPARTMENT (JESD)**

**SUBJECT: REQUEST FOR PROPOSAL (RFP) TO PROVIDE YOUTH SERVICES UNDER
THE WORKFORCE INVESTMENT ACT**

RECOMMENDATION: Approve and authorize release of a Request for Proposals (RFP), under the Workforce Investment Act, to provide academic and occupational skill attainment activities to eligible San Bernardino County youth.

BACKGROUND INFORMATION: Title I of the Workforce Investment Act (WIA) allows for educational enhancement, occupational training, and employment preparation program services for youth ages 14 through 21. Approval of this RFP will provide for these services to be available throughout the County during the program year 2003/2004 and follow-up year 2004/2005.

The Local Workforce Investment Board (WIB) in conjunction with JESD is seeking proposals from interested and qualified organizations and firms to provide year-round comprehensive activities and guidance services to help eligible youth achieve academic and employment success. The specific services solicited in this RFP include comprehensive career and guidance counseling, occupational skills training, alternative secondary school services, tutoring and study skills, leadership development, adult mentoring, work experience, supportive services, and follow-up monitoring. Proposals will be evaluated on a weighted criterion, which will include the organization's experience in providing the requested services and the reasonableness of total cost per service. Youth Service Providers' will be selected through a process of competitive evaluation. Staff will initially review and rank all proposals based upon responsiveness and determination of which proposals best meet the needs of the County. Those recommendations will be forwarded to WIB Youth Council, who will then evaluate the specific proposals on program effectiveness and projected positive outcomes. The WIB will make specific recommendations for contract award and funding levels to the Board of Supervisors for approval.

Approval of this action will allow JESD to formally advertise the County's solicitation of proposals. The RFP will be advertised in local newspapers, distributed by direct mailings and will be posted on the JESD website.
